Choosing The Best-Looking Strip Shingle For Your Home

Some people think all 3-tab shingles look pretty much alike. Not so! At GAF, we've gone to great pains to make Royal Sovereign® the most beautiful strip shingle you can install.

But don't just take our word for it. GAF asked an independent research firm to survey homeowners about whose 3-tab shingles they preferred. The result: More homeowners preferred the look of Royal Sovereign® Shingles to the other leading brands! And the #1 reason cited by homeowners? Royal Sovereign's color blends.*

Royal Sovereign® Shingles combine a simple, timeless beauty with GAF's Advanced Protection® Shingle Technology...

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

* Based on a 2010 survey of homeowners conducted in Ohio and Georgia and commissioned by GAF.
