HERITAGE[®]

LAMINATED ASPHALT SHINGLES

Beauty that Performs.

Nothing distinguishes the look of a home quite like an architecturally shingled roof. But more than aesthetics alone, a roof should offer performance and protection. TAMKO® offers a complete line of shingles that delivers the cut, color and coverage that not only allows you to express your style as a homeowner, but also helps protect your most valuable asset. Now that's beauty that performs.

1. Cut Classic wood-shake look

Complement your home's architecture by adding a striking new dimension to your roof. Heritage® shingles replicate the beautiful, natural aesthetics of wood shakes, at a fraction of the cost, without the fire susceptibility of real wood. And the random-cut sawtooth design of Heritage shingles provides added beauty.

2. Color A full palette of distinctive choices

Find the colors you want to get the look you want. Heritage shingles feature striking color palettes that range from classic to contemporary to strikingly bold. All Heritage Premium and Heritage shingles offer TAMKO's own unique granule mix and a distinct color drop that create a random shake-like look across the entire roof, as well as a Shadowtone blend that provides enhancing natural contrast and depth.

In 1995, TAMKO introduced vibrant tones to the roofing industry with the launch of America's Natural Colors®.

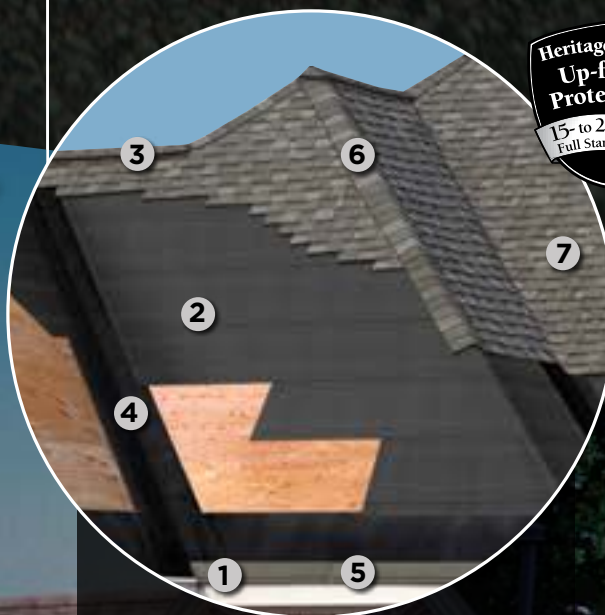

Heritage shingles offer a unique granule mix and distinct color drops.

3. Coverage Performance and protection

The beauty of your roof is only half the story. Beyond the curb appeal, you need a roof that performs and protects. All Heritage Series shingles offer a Limited Warranty† with the longest up-front protection available and are UL listed for Class A Fire Resistance and UL Wind Resistance. They also come with our Algae Relief—Algae Cleaning Limited Warranty*.

To further enhance the performance of your roof, TAMKO offers many additional products that work together to protect your home from the elements.

TAMKO's Complete Roof Performance Product Line

- ① Cements & Sealants
- ② Underlayments
- ③ Ventilation
- ④ Ice & Rain Protective Underlayments
- ⑤ Shingle Starter

The Beauty of Heritage®

- Rugged Shake-Like Appearance
- Shadowtone Granule Blend
- Double-Layer, Random-Cut Design
- Heavyweight Fiberglass Mat
- UL Listed for Class A Fire Resistance
- UL Listed for Wind Resistance: ASTM D 3161, Type 1, Class F (110 mph) and ASTM D 7158, Class H (150 mph)

- Meets ASTM D 3462 at the Time of Manufacture
- Miami-Dade County Approved
- Shingle Dimensions (Approximate) 39-3/8" x 13-1/4" with 5-5/8" Exposure
- Hip & Ridge Shingles Available

Constructed for Excellent Roofing Protection

- 1 Well-defined nailing zone helps ensure application accuracy
- 2 Shadowtone feature adds dimension and depth of appearance to replicate a wood-shake look
- 3 Completely random-cut sawtooth design adds beauty
- 4 Self-sealing strip of asphalt to improve wind resistance
- 5 Moisture-resistant weathering-grade asphalt coating helps provide excellent roofing protection and greater depth and curb appeal
- 6 TAMKO's special asphalt adhesive creates a strong laminated bond
- 7 Heavy-duty fiberglass mat helps provide strength and protection

The Heritage cut application method helps to add speed and reduce waste—only two cuts are required to start five courses, and pieces that are 8 inches wide or longer can be worked back into the field. See Heritage application instructions for further details.

Longest Up-front Protection Available

Heritage® Series shingles offer the longest up-front protection available. This is the critical period of time during which both shingles and the labor to install them are covered at 100% (labor does not include tear off, removal or disposal). See TAMKO's Limited Warranty for complete details and use the calculator at tamko.com/LongestUpfrontProtection to discover the greater value of having more up-front protection.

HERITAGE Premium Shingles

- 50-year Limited Warranty†
- 20-year Full Start Protection Period
- 15-year Limited Warranty Against Damage from Winds up to 110 mph‡
- 10-year Algae Relief—Algae Cleaning Limited Warranty*

HERITAGE Shingles
